Neither our employees or agents may alter orally or otherwise our contract liability. We, Gilby's LLC (d/b/a Gilby's Street Dept.), assume no liability for theft, collision, fire, or damage of any kind whatsoever except when directly attributed to our own negligence, and in that event, only to the extent of the retail used motorcycle value of the stored vehicle on the date of storage. Said retail value is calculated by averaging the value given by the N.A.D.A. value book and the Kelly Blue Book. The owner of the above motorcycle must maintain comprehensive insurance coverage during the storage period. Gilby's LLC will perform the requested and paid services. Gilby's LLC will return the vehicle in the same condition received and will not be responsible for non-storage related concerns or the runability or drivability of any motorcycle that was in storage with us. Full payment is expected at the time of drop-off. A monthly finance charge of 1.5% will be applied to balances 30 days past due. All parts removed from motorcycles obtaining service work during winter storage will be disposed of unless picked up by the customer within 10 business days of completion of the work performed (not the end of storage).

\_\_\_\_ Please retain my parts for up to 10 business days after completion of the work. OR \_\_\_\_\_ Please dispose of them.  
Winter storage does NOT include delivery back to customer in the spring (extra charge applies).
